- Fitted Twin Sheet (to cover mattress)
- Disposable Camera
- Water Bottle
(campers will be given a complimentary bottle as well)
- Journal
- Musical Instrument
- Swim Goggles
- UV Swimshirt/Rash Guard

ELECTRONICS POLICY

Campers may not bring electronic devices to camp. This includes Music Players (iPods, MP3s, etc.), Hand Held Games (DS, PSP, etc.), Cell Phones, Electronic Readers (Kindles, iPads, etc.) and Radios. While we do allow digital cameras, we require that the camera not have internet accessibility. As electronic devices have grown increasingly more complex (with features like video, internet access, etc.), we believe they disrupt the cabin environment and have the potential to negatively impact the camp experience.

PLEASE NOTE:

We do not recommend bringing items of great monetary or sentimental value to camp. Mountain Camp is not responsible for missing or broken items.

PACKING TIPS

Packing for camp is the beginning of your camper's independent camp experience. Please make sure your camper is an active participant in the packing process so that he/she knows where to find their clothing and other items.

SHOES

Our terrain at camp is rough and uneven and appropriate footwear is a safety requirement. Please make sure your camper has at least one pair of closed-heel and closed-toe shoes that have adequate tread for walking on rocks, dirt, and other uneven surfaces. Running shoes, hiking shoes, or other athletic footwear work well at camp, as long as they fit the camper well and have adequate tread. Other shoes (flip flops, Crocs, Converse, etc.) can be worn in the cabin, at the waterfront and in less active activities, but closed-heel, closed-toe shoes must be worn while participating in the Ropes Course, Mountain Biking, Sports & Games and other rigorous activities.

LABELS

We recommend you label all of your camper's clothing and equipment with their First and Last Name. Items that aren't labeled are unlikely to be returned to your camper if lost.

CLIMATE

Mountain Camp is located at 5,500 feet elevation and at night time, mountain temperatures can get very chilly. Be sure your camper's sleeping bag is rated to at least 30° (or lower), so that your camper will be warm at night. Sleeping bags used for indoor, overnight sleeping are not sufficiently insulated for camp use.

WHAT NOT TO BRING

- Do not pack any of these items, as they are not allowed: food, candy (including gum), water guns, silly string, water balloons, sling shots (or any other weapons), electronic games, personal music devices, cell phones, fireworks, knives, matches, lighters, tobacco, alcohol or illegal drugs. Any of these items brought to camp will be taken by a Director and might result in your camper being sent home from camp. For campers traveling by air, Cell Phones and Electronics may be brought for the flight and held in our camp office for the duration of your camper's stay.
- Do not pack valuable items such as cameras and jewelry. We recommend campers use a disposable camera marked with their name. These can be purchased in the camp store.
- Please do not pack any personal athletic equipment (water skis, mountain bikes, etc.). We provide top quality equipment that is sized for our campers.

DRESS CODE

Attire must be modest and appropriate for an active camp program. Clothing must fit closely enough so that the camper is not endangered during activities. Closed-toed shoes are required for the Ropes Course and Mountain Biking or Mountain Scooters. No extremely tight or provocative attire is permitted and no underwear may be showing. No belly shirts or very short shorts or skirts. Clothing or accessories relating to alcohol, drugs, violence, death, sexual innuendo, or containing bad language, are unacceptable. We discourage the wearing of any expensive, brand name attire. Overall, camp is a place there we focus on who we are, not what we are wearing. Please keep this in mind as you pack for camp.
